COLLABORATIONS IN LANGUAGE: FROM DOCUMENTATION TO RESURGENCE

DR. MARK TURIN

FRIDAY FEB. 24, 2017, 2:00-4:00

SSC 3227

Dr. Turin will draw on long-term fieldwork in Nepal and India with speakers of Thangmi, a community whose language has long been effaced from the national record in the states where it is spoken, while also reflecting critically on the decade that he has spent directing two international, interdisciplinary collaborative research initiatives—the Digital Himalaya and World Oral Literature Projects.
