

DR. KISHA SUPERNANT

SHE / HER

**MÉTIS ARCHAEOLOGIST AND
ACTIVIST IN THE MOVEMENT TO
DECOLONIZE ARCHAEOLOGY**

Supernant is a vital figure in the movement to decolonize archaeology in Canada. Dedicated to creating a more collaborative and multivocal archaeology, Supernant has been a central figure in the support of Indigenous communities and larger educational efforts regarding the use of remote sensing techniques in the identification of unmarked graves at Canadian Indian Residential Schools.
